

Angel Vergara

HOSPITALITY OPERATIONS LEADER | IMPLEMENTATION & ONBOARDING

Orlando, Florida | Remote, U.S. | avergara13@me.com | 407-432-6959 | [Portfolio](#) | [LinkedIn](#)

PROFILE

Hospitality operations leader bringing 14+ years of restaurant leadership into restaurant technology implementation. Progressed from Executive Chef to General Manager with hands-on ownership of workforce scheduling, payroll-data review, inventory and procurement, vendors, reporting, training, financial administration, and customer experience. Translates frontline operating needs into clear requirements, accurate data, repeatable workflows, practical tools, and confident adoption. Comfortable with Excel and Pivot Tables, with current systems work extending into workflow automation and AI-assisted applications. English/Spanish bilingual.

CORE STRENGTHS

Restaurant & hospitality operations | customer-facing problem solving | implementation readiness & adoption | workflow discovery & requirements translation | training & change management | data collection & validation | Excel & Pivot Tables | workforce scheduling | payroll-data review | inventory & procurement | vendor & third-party coordination | process documentation & handoffs | bilingual English/Spanish

SELECTED PRODUCT AND SYSTEMS WORK

- Resale Scanner Pro - Personal workflow application built for Hobbyst Resale, a small family eBay resale business: item capture, AI-assisted identification, market research, BUY / MAYBE / PASS decisions, listing preparation, publishing, and operating records; actively evolving personal project evidence.
- Loft OS - Sanitized architecture case study: governed workflow moving work through scoped intake, role-separated execution, human approval, evidence-backed review, recovery, and deterministic closeout.
- Sous Chef - Public application: hospitality-domain workspace for authenticated recipe workflows, pantry and inventory signals, cookbooks, session history, and AI-assisted creation.

SELECTED PROFESSIONAL EXPERIENCE

Cafe Linger - Executive Chef to General Manager | Orlando, FL | May 2018-Dec 2022

- Became General Manager in Jan 2019 as administrative and financial responsibilities expanded beyond culinary leadership.
- Led day-to-day operations across production, purchasing, inventory, vendors, scheduling, staff training, reporting, compliance, and customer experience.
- Managed vendor accounts, invoices, recurring bills, POS reporting, payroll-data review, QuickBooks workflows, P&L review, and cash-flow awareness.
- Built and maintained Excel spreadsheets for payroll, ordering, inventory, and operational reporting, using linked formulas and Pivot Tables.
- Continued paid account-closure, administrative, and restaurant-consulting work after the restaurant closed, through Jan 2024.

Farm-Haus / Farm & Haus - Chef de Cuisine | Greater Orlando | Sep 2015-Apr 2018

- Began with consultation work to establish kitchen workflow, then led production, quality, ordering, inventory, training, and service execution.
- Worked directly with ownership on operating consistency and growth support while coordinating kitchen production, quality, ordering, inventory, training, and service execution.

Southern Swank Kitchen - Head Chef | Davie, FL | Jul 2013-May 2014

- Created the opening menu and recipes; hired, trained, scheduled, and managed approximately 12 employees for a roughly 200-seat venue.
- Coordinated FOH/BOH staffing, inventory, food-and-beverage ordering, and opening-stage operating systems.

EDUCATION

- Florida International University - B.S., Hospitality Management; Minor, Beverage Management
- The Culinary Institute of America - A.S., Culinary Arts; May 2007-Apr 2010
- Valencia Community College - A.A., General Studies

TOOLS

Excel (Pivot Tables) | Notion | Git and GitHub | Railway | Supabase integration | Postgres/SQL exposure | React | TypeScript | Node/Express | Gemini | Claude API | marketplace APIs | n8n-style automation
