PROFILE

Hospitality operations leader and systems builder with verified Executive Chef to General Manager progression. Turns operating problems into clear requirements, workflows, reports, and usable tools by combining frontline judgment with purchasing, inventory, vendor administration, POS data, payroll review, P&L awareness, process mapping, documentation, and hands-on product delivery. English/Spanish bilingual capability supports stakeholder communication, documentation, and adoption.

CORE STRENGTHS

Business-process mapping | requirements gathering | workflow analysis | operational reporting | POS and spreadsheet analysis | decision rules | exception handling | inventory and purchasing | vendor and invoice coordination | payroll-data review | P&L and cash-flow awareness | workforce routines | documentation | bilingual English/Spanish

SELECTED PRODUCT AND SYSTEMS WORK

- Resale Scanner Pro - Working personal AI-assisted workflow application used in a small family resale workflow: structured intake, AI-assisted research, human review gates, external-service integration, publishing workflows, and operating records within a family-use context.
- Loft OS - Sanitized architecture case study: governed workflow patterns for scope, authorization, evidence, recovery, and closeout, focused on visible ownership and fail-closed controls.
- The Office Chef - Concept in design: restaurant back-office automation concept for invoice intake, vendor price changes, food costing, inventory review, menu-margin analysis, and owner briefings.

SELECTED PROFESSIONAL EXPERIENCE

Cafe Linger - Executive Chef to General Manager | Orlando, FL | May 2018-Dec 2022

- Promoted to General Manager in Jan 2019 after expanding into administrative, financial, and operating-system ownership.
- Used POS and spreadsheet reporting to review sales mix, inventory, food cost, menu margin, vendor pricing, payroll, and operating performance.
- Coordinated purchasing, vendor accounts, invoices, recurring bills, QuickBooks workflows, P&L review, cash-flow awareness, licensing, and maintenance follow-through.
- Continued paid shutdown administration and restaurant consulting through Jan 2024, closing accounts and completing business wrap-up.

Farm-Haus / Farm & Haus - Chef de Cuisine | Greater Orlando | Sep 2015-Apr 2018

- Helped establish the kitchen workflow, production routines, ordering practices, inventory controls, and quality standards.
- Partnered with ownership on operating consistency and growth support while coordinating kitchen workflow, production routines, ordering practices, inventory controls, quality, and team execution.

Southern Swank Kitchen - Head Chef | Davie, FL | Jul 2013-May 2014

- Built opening-stage menu, recipe, staffing, scheduling, inventory, and ordering systems for a roughly 200-seat venue.
- Hired, trained, scheduled, and managed approximately 12 employees across the opening operation.
