SELECTED PRODUCT AND SYSTEMS WORK

- Resale Scanner Pro - Designed and shipped a live mobile-first product that turns item capture and market research into a human-reviewed sourcing and listing workflow.
- Loft OS - Documented a sanitized operating pattern for scoped work, human authorization, verification, recovery, and accountable closeout.
- Sous Chef - Built a public-source culinary workspace shaped by recipe, pantry, cookbook, and cooking-session workflows.

SELECTED OPERATIONS EXPERIENCE

Cafe Linger | Executive Chef, May-Dec 2018 | General Manager, Jan 2019-Dec 2022

- Led day-to-day work across production, purchasing, inventory, staff training, reporting, and customer experience.
- Built repeatable routines for ordering, preparation, quality, service readiness, and team handoffs.
- Continued paid closure administration and independent consulting through Jan 2024.

Kitchen and Production Leadership | Florida and Massachusetts

- Coordinated teams, inventory, ordering, quality, and service execution in hands-on hospitality environments.
- Developed training practices and operating standards shaped by real production pressure and daily exceptions.
